Pottery Painting Birthday Parties are creative, relaxing fun for the children and pretty stress free for the parents too! Our party packages include:

- Printed invitations.
- A drink on the table for each guest – a choice of a fruit shoot or bottled water.
- Tea or coffee for supervising parents.
- A ceramic piece for each guest to paint – as detailed below.
- A choice of tile or plate for the whole party to share decorating, a keepsake for the party VIP.
- The option to bring your own party food and cake if you wish, or arrange a takeaway Pizza.
- Individual wrapping of the guests' pottery for collection by the organiser.
- And we do all the clearing up.

Parties for Younger Children – Age 3, 4 and 5. We have a special party slot starting at 10.00 am on a Sunday morning where guests have exclusive use of the studio until 12:00. We recommend this time for parties for younger children as all parents are welcome to stay, help and enjoy the fun. These mornings do book up quickly. A minimum of 8 children are required for this party.

Party at Home. We can box up everything you need to hold a pottery painting party at your venue – simply return the loan items to us and the pottery for glazing and firing.

To make a reservation, simply pop in to the studio or phone us to check availability. We can complete the whole booking over the phone if you wish and send out invites to you. A £25 deposit will hold your booking with the balance due at the end of the party.

Answers to FAQs:

- The special paints we use are water based and non toxic and will wash straight out of clothes and children.
- We have disposable aprons available.
- If you bring in party food we recommend you put it in individual party boxes and any drinks in non-spill containers. Or use a few buffet plates which guests can choose from. Please bring your own paper plates.
- Takeaway Pizzas are available from a nearby Pizza takeaway and can be ordered about 1 hour before needed.
- On Sunday morning private parties, we set up a separate area for your food.
- On Sunday morning private parties for younger children ages 3 to 5 we recommend each child has an adult present.
- For parties at other times we ask for just 1 or 2 adults to remain at the party. (Older children age 9+ may be left unaccompanied by arrangement with the studio).
- We have a cake knife and matches available, but don't forget the candles.
- Pottery is usually ready for collection in 7 days and we recommend the party organiser collects everything.
- If you hand out party bags to guests, please ensure that any noisemakers, bubbles, balls etc are not used until the children have left the studio.

Any questions at all please just ask!

Yours sincerely

Natasha Roberts
